Dear Mr. Rothstein:

You will be pleased to know that a very generous gift has been received from *Mr. Ted Jacobsen* for the work of Shriners Hospitals for Children® – Philadelphia, *given especially in your honor.*

Mr. Jacobsen made this gift in support of your personal fundraising efforts on behalf of our hospital, in lieu of purchasing Mets tickets.

We are deeply grateful for this donation that will help provide expert medical care to children with orthopaedic problems such as scoliosis, club foot, hip deformities, hand and upper extremity conditions, spinal cord injuries and more.

Innovative research and professional medical education are also a vital part of our mission to help improve the lives of children. It is an encouragement to know that all services will be offered in a family-centered environment, *regardless of the patients' ability to pay.*

****We are proud to report that Shriners Hospitals now has a *four-star rating* with Charity Navigator. This is the highest rating attainable and an indicator that we outperform the majority of other charities across America.**

Again, thank you for your dedication to the children we have the privilege to care for. I can be reached at 215-430-4055 or tdiamond@shrinenet.org if you should have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Terry Diamond".
