POTENTATE'S MESSAGE

I would like to thank the entire Nobility for the honor of being the Potentate of Kismet Shrine. I will be doubly blessed in January when I will be installed as your Potentate and a full Board Member of the Philadelphia Shriners Hospital. I look forward to a productive & fun filled year.

Kismet temple has seen a decline in membership over the last 59 years from a high of 9900 members to our present membership of slightly under 500. It is time to restore Kismet to its previous levels. I call upon each and every member for your help to reach my goal of 125 new members and an overall membership of 600+ by the end of 2011. I am sure you all ask how we are going to do that. Here is our simple plan.

First we have begun construction on the "Kismet Club" on the 3rd floor. This club will be a place to have special club functions, enjoy some food and drink, watch a ball game on big screen TV's, play darts, pool or cards and bring our Masonic brothers to see the "Benefits of Membership"!! Access will be by card key. We plan to open in January and the Superbowl party will be there in February. Look for notice of our Special Events on the Kismet Facebook page, the Fez and on our web page. Our Club Manager will keep you abreast of these events and I promise you will not want to miss them!!

Second we must get the message out to our Masonic Brothers! On Saturday March 19th we will have our First Annual Masters & Wardens Brunch. Invitations will be going out shortly to all the Masters & Wardens on Long Island as well as the District Leaders. The Grand Master MW Vincent Libone has accepted our invitation to be our honored guest as well as other members of the Grand Line. There are 61 Lodges in Nassau, Suffolk, Queens & Kings Counties. I ask each of you in your respective Lodges to ask your Master & Wardens to be our guest at Kismet Temple and enjoy our hospitality on that day. Help us make this a successful event and one to remember!!

Third we have approved a special \$99 membership for all new members this year. That includes a Fez. This is an unbelievable value and an opportunity for us to bring in new members with minimal financial hardship. Each of you are Shrine Ambassadors and can help to promote the benefits of Membership at your respective Lodges. Ask a brother of your Lodge to become a Noble today!!

It is mine and the entire Divans plan to move us forward in a positive direction. Please help us achieve our goals!!

Our first event will be the Installation of officers on Monday January 3rd. This will be an open Installation with wives and family invited. We will have a dinner at 7:00 pm prepared by our fine culinary unit. At 8:00 pm the Installation of Officers and all newly elected Unit Heads will take place, followed by cake and coffee. I hope to see you all there!!

Please join us at our Superbowl party on Sunday February 6 which will be held in the new Club Kismet. This is a free event for our members and their guests. This is another opportunity to bring down your Masonic brothers and show them our Temple. I ask each of you to bring one masonic member down to the party!!

Once again I want to thank each an everyone of you for your support and help during the upcoming year! Together we can build Kismet Temple for the future & help the Shrine Children! God bless Kismet Temple, the Shrine and the children!!

NOTES FROM THE DIVAN

Chief Rabban

Nobles, I want to thank you from the bottom of my heart for the trust that you've shown in me by electing me to Chief Rabban. Most of you have known me for a number of years now, and you can be sure that I will do my best for our Fraternity, the Hospitals, the Children and of course Kismet Shrine.

Congratulations to Illustrious Sir Joe Savaglio - this year will be fun and filled with activities for everyone. We have some great events coming up this year and would like everyone to enjoy them. Remember also that the Culinary Unit will be here every Monday with food, drink and fellowship.

Assistant Rabban

I would like to take this opportunity too thank all the nobility for there trust in me. becoming the Asst Rabban is truly the beginning of the high road to the exalted position of potentate. this upcoming year should be very busy for all divan members, for myself i plan on doing a wine and cheese tasting in march. i will also be running a dinner and nostalgia night with III Joe Santillo, that will be something very different and has been very well received all around the masonic world. i look forward to seeing all of you at the events planned in 2011

High Priest and Prophet

It has been a fun 2010 serving as the Oriental Guide of Kismet Shrine. I enjoyed the many social functions that occurred during the year. Some of the outstanding events were the installation dinner, Super-bowl party, Chinese Auction fundraiser, the return of the Hillbillies, the Potentate's Ball, and culminating with the Christmas Party much fun was had by all.

I have had a busy year as Oriental Guide. I attended Shrine education in Tampa. These seminars provided by Imperial were very impressive. I made friends of nobles from other Shrine's, learned much of our Hospital system, being a member of the Divan, and Shrine Law.

Finally, I want to thank the Nobles for electing me to the post of High Priest and Prophet. I joined Kismet less than two years ago. I and my lady, Tracy, are proud of Kismet Shrine. I want to see it grow and succeed in every endeavor you, the members, choose for it. I value the friendships I have made and look forward to serving and leading Kismet and grow the proud history of our Shrine.

NOTES FROM THE DIVAN

Oriental Guide

Let me start by congratulating the new Potentate and the Elected Divan. The Potentate has a great year planned for us. Please show your support by coming to our meetings and events, your attendance will make for fun memories!

In closing, I want to thank the Nobles who have put their trust in me to be elected as Oriental Guide.

The Recorders Desk

Nobles, thank you for electing me to another term as your Recorder. I would also like to thank all of you who keep my wife Frances in your prayers. She is still fighting cancer and still taking chemo, its been 15 months now and she is still hanging tough. So keep praying she may beat this yet!

This looks like its going to be a pretty exciting year for Kismet, with the opening of Club Kismet things should really start jumping. Plans for the club include sports nights for play off games, comedy night, magic show, bar quiz night, and even karaoke. The new Potentate even gave the place a face lift and its own WC, now its up to you to come out and break it in.

Now a message for the new young Nobles that have been brought on board, us old guys have been carrying the torch of shrinedom for long enough, its time we passed it on to you! Kismet needs a presence on the street when its parade season. That means you with a fez carrying a flag or rifle or sabre. Kismet has a proud history of marching units going back over a hundred years and its time to get them going again. So don't be surprised if you get a call one fine spring day that we need you for a few hours on a Saturday morning. Membership is not just about paying dues and carrying a card.

2011 should be the beginning of 5 positive years for Kismet, we have a young elected line, all of the same mind, so progress is the new buzz word. On that note I will close, I look forward to seeing all of you at the January meeting to help begin a new era in Kismets history.

NOTES FROM THE UNITS

The Culinary
Unit

Nobles, your Culinary Unit is here for you—preparing tasty, healthy (ok, how about *not particularly unhealthy*) dinners and deserts for you every Monday night. Like clockwork at 7pm you can be sure of good food and fellowship.

We do take requests, so if there's something in particular that you'd like to see on the menu (or would like to *not* see), please let us know. Ken Klein, Greg Feldman, Leo Johnson, and Russell Magidson are your first point of contact with the unit. In addition you'll find Billy Bontemps, Mike Marmo and others helping out in the kitchen.

The Mini Choppers

Congratulations to our Illustrious Potentate Joe Savaglio, We wish you a great year and give you our loyalty in anyway we can. We are looking for men to join the mini choppers so anyone interested should come down and meet the nobles we are a good bunch of men and are going to be everywhere this year. Even if you can not ride the mini choppers come down we have a place for everyone.

We are looking for a few good men. You must be able to smile and help others smile. You must be big enough of a person to stoop down to help a child. You must have a desire to help our Shriners Children as no one else can. It will not cost you lots of money but you will have to invest your time. We can get you going for just a few dollars. We can teach you everything you will need to know, and them some. We have local events and trips to the Hospitals. We need good me, are you good enough for us? Only you can decide, reach out to one of the clowns or email the clown boss - Johnny Kelly at DeLeckie@aol.com. We have recently lost some fine and wonderful clowns, Ed Kliener and George Christie and we all remember Walter O'Grady with a smile. These were great men and wonderful clowns who left a smile on every one who knew them. The Kismet Clowns have participated in numerous events here at Kismet and beyond, raised money for the Hospitals and supported Shriners whenever possible. We look forward to assisting our new potentate and his line.

The Clowns

Public Rela-

We fellow Nobel's I am sure you have all seen the billboards for Shriners around the city. I hope you have been a recipient of the forwards of the Imperial Information. I am sure you heard about our trip to the city and our time on CBS morning news. Are you aware that you, yes you, can get on to the Imperial web site and go to the Facebook section and raise some money yourself for our Shriner's Hospitals. Some of the Nobel's have done it already. You can reach out to your friends and family to look for their support of our charity. It might be a way you can do something directly for the children. Some nobles donate money, some drive the children to the hospitals, some clown with the kids, what is that you do to help move the ball forward. Do you do anything but come down occasionally to a meeting? Is that all you can do? Is that enough? Here is a way to help. Log on to the Imperial web site and do something. Go to ShrinersHQ.org. and do something.

WELCOME TO OUR NEWEST NOBLES

Please join me in welcoming our newest Nobles into Kismet Shrine.

They are already active and coming to our Monday night gatherings. Why don't you come out too and welcome them in person?

KISMET'S 2010 CHILDREN'S HOLIDAY PARTY

Kismet's holiday party was a huge success, having over 125 children and their parents, relatives and friends join in the fun. The Clown unit was out entertaining the children with jokes, games and balloons while Maria Follenius helped kids with some sand art projects. There was food, drinks and cupcakes for all - arranged by our Potentate-elect, Joseph Savaglio. Thanks to the Culinary Unit and the members of Kismet's Nobility who helped set up, serve and clean up afterwards. A special thanks to the team from the Rainbow Girls who served the food to everyone and assisted in the cleanup (which was no small task).

Of course, what holiday party would be complete without Santa Claus to make sure that every child went home with smiles and presents. Great work, everybody!

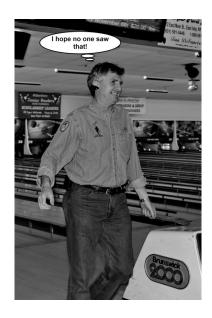

KELLI AND NIKKI STRIKE BACK

Maria Follenius, whose two children were patients at Shriners Hospitals, held a fund-raising event at East Islip Bowling Lanes on November 6th.

The event as a smashing success, raising over \$3,000 for the hospitals and giving dozens of children (and Shriners) an afternoon of fun and laughs.

Great work, everyone. We look forward to the next event!

Do you know of an upcoming event?

If you know of something happening related to our beloved fraternity, let us know. We'll get info out in the Fez to help bring people out in support. Contact Russell L. Magidson at RLMagidson@gmail.com or 516-547-0945 with your info.

MASONIC MEETING AT KANDAHAR AIR FIELD (AFGHANISTAN)

I feel sure you will be pleased to know that Freemasonry continues to be practiced worldwide, regardless of circumstances and adversity. The following forwarded e-mail and photographs attest to that.

Brethren,

Canada Lodge held our first Ceremonies of Initiation on the evening of October 7, 2010 here at Kandahar Air Field. Initiated were Major Robert Kelly and Corporal Satraj Toor. As you can see from the photos, our lodge is now beautifully furnished thanks to the generosity of the brethren from back home.

Due to operational requirements we did not (all who had parts) have the chance (though try we did) to do a complete run through before the big night. If I may say so myself, the ceremony was done as well as any I have seen back home (in my limited Masonic experience, mind you). All of the parts came together seamlessly and it was quite evident that all of the brethren had put their heart and soul into the perfection of their work.

I am truly honored to have been a part of this historic Masonic event.

Our evening ended with a truly Afghan flavour as we were posing for photographs we came under rocket attack and had to hit the floor (pictured).

PATIENT PROFILE: After Spinal Cord Injury, Brittany is Walking and Dancing Again

Brittany Fojtik was a dancer in peak physical condition when a car accident left her with a spinal cord injury (SCI). Doctors told her that she was paralyzed from the chest down and would never walk again. The

tenacious young girl, then 10 years old, set out to prove them wrong.

The dedication and drive that helped Brittany succeed as a dancer was

redirected toward making a full recovery. She devoted many long hours to therapy at Shriners Hospitals for Children® — Chicago and just two years after her injury, not only is she walking – she is dancing again.

On Nov. 2, 2008, Brittany was en route to her family's new home in Katy, Texas. Brittany and her brother, Daniel, sat in the middle seat of their minivan as their father drove. While the van was moving, Brittany unbuckled her seat belt to grab an item from the back. A sudden and unexpected turn of the wheel

caused the van to hit a concrete drainage culvert. The vehicle flipped through the air and Brittany was ejected from the car out the back window; she flew 60 feet and landed on the pavement.

The next thing Brittany remembers is a man telling her "everything is going to be OK." She was surrounded by sirens, ambulances and paramedics before being airlifted to a hospital in nearby Houston. Her mother, Beverly Fojtik, was told she may not make it through the flight. In addition to her SCI, Brittany sustained a broken arm, hip, wrist, nose and ribs, as well as massive internal bleeding. After spinal fusion surgery, Brittany spent 18 days in the intensive care unit while her vital signs stabilized.

As Brittany's condition continued to improve, it became clear that she would need rehabilitation at a facility that specialized in pediatric SCI. A therapist recommended Shriners Hospitals for Children® — Chicago to the family and on Dec. 1, 2008, a transport team relocated her to the Windy City.

Brittany worked with physical and occupational therapists at Shriners Hospitals for Children® — Chicago for two-and-a-half weeks in early December. Examinations during this admission indicated that she had

sustained a complete SCI (American Spinal Injury Association Impairment Scale A), meaning she had very little chance of walking again. Despite the dim prognosis, Brittany's progress continued. The day before she left to go home for the Christmas holidays, she discovered that she could move one of her big toes.

"It all started happening so fast," explained Beverly. "When we got home the next day, she was able to swing her leg from side to side. From then on, there was some kind of new movement all the time." Brittany returned to Shriners Hospi-

tals for Children® — Chicago in mid-January 2009 for a month-long stay. Her therapists began standing her up and she was able to move her hips a little bit. With the help of leg braces and therapists, Brittany took her first five steps since the accident on

Feb. 11, 2009.

"I cried and cried and cried,"
Beverly said. "And I wasn't the only
one – the nurses and therapists
were crying too. Nobody expected
this."

Brittany's injury was reclassified as an American Spinal Injury Association Impairment Scale D, which means that she has an incomplete SCI and

significant recovery is expected.
Since she began rehabilitation, she has

progressed from a wheelchair to a walker to forearm crutches. She now walks with a cane and only uses her wheelchair at the mall and the airport.

The level of recovery and return of function that Brittany experienced is unusual and was a wonderful surprise and outcome for both the SCI team that worked with her and her family. Doctors noted a number of factors that contributed to her success.

including her physical condition prior to the injury, a positive personality and a lot of hard work.

Brittany is now back on the dance floor and has taken up Pilates to help regain her strength. In addition

keeping up with school, she is participating in choir and a school play and plans to compete in the Texas

Cinderella Scholarship Program
Pageant. Her experience at
Shriners Hospitals for Children®—
Chicago has inspired her to become
a physical

therapist when she grows up.

TOASTMASTERS INTERNATIONAL

Kismet Shrine is starting a Toastmasters group

and you can be a part of it. What? You're not familiar with Toastmasters? Toastmasters International is a non-profit educational organization that teaches public speaking and leadership skills through a worldwide network of meeting locations. Headquartered in Rancho Santa Margarita, California, the organization has more than 260,000 members in over 12,500 clubs in 113 countries. Since 1924, Toastmasters International has helped people of all backgrounds become more confident in front of an audience.

Whether you're a professional, student, stay-at-home parent or retiree, Toast masters is the best way to improve your communication skills. Toastmasters can help you lose the fear of public speaking and learn skills that will help you be more successful in your chosen path. You'll be a better listener. You'll easily lead teams and conduct meetings. You'll comfortably give and receive constructive evaluation. Even if you already have some or all of these skills, you will enhance them in Toast masters!

Toastmasters has helped many members in their community-service activities. Using the skills developed in Toastmasters, people have become more active in business, church, service and charity organizations. Toastmasters are able to organize activities, conduct meetings and speak in public as their organization's representative.

How Toastmasters Works

At Toastmasters, members learn by speaking to groups and working with others in a supportive environment. A typical Toastmasters club is made up of 20 to 30 people who meet once a week for approximately an hour. Each meeting gives everyone an opportunity to practice:

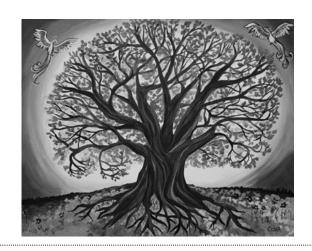

- Conducting meetings. Members learn how to plan and conduct meetings.
- Giving impromptu speeches. Members present one to two minute, impromptu speeches.
- Presenting prepared speeches. Two or more members present speeches based on projects from manuals in Toastmasters' proven communication program. Projects cover topics such as speech organization, vocal variety, language, gestures and persuasion.
- Offering constructive evaluation. Every prepared speaker is assigned an evaluator who points out speech strengths and offers suggestions for improvement.

If you're interested in joining or just learning about Toastmasters, contact Russell L. Magidson (516-547-0945, RLMagidson@gmail.com) now.
